

Adding with Number Lines

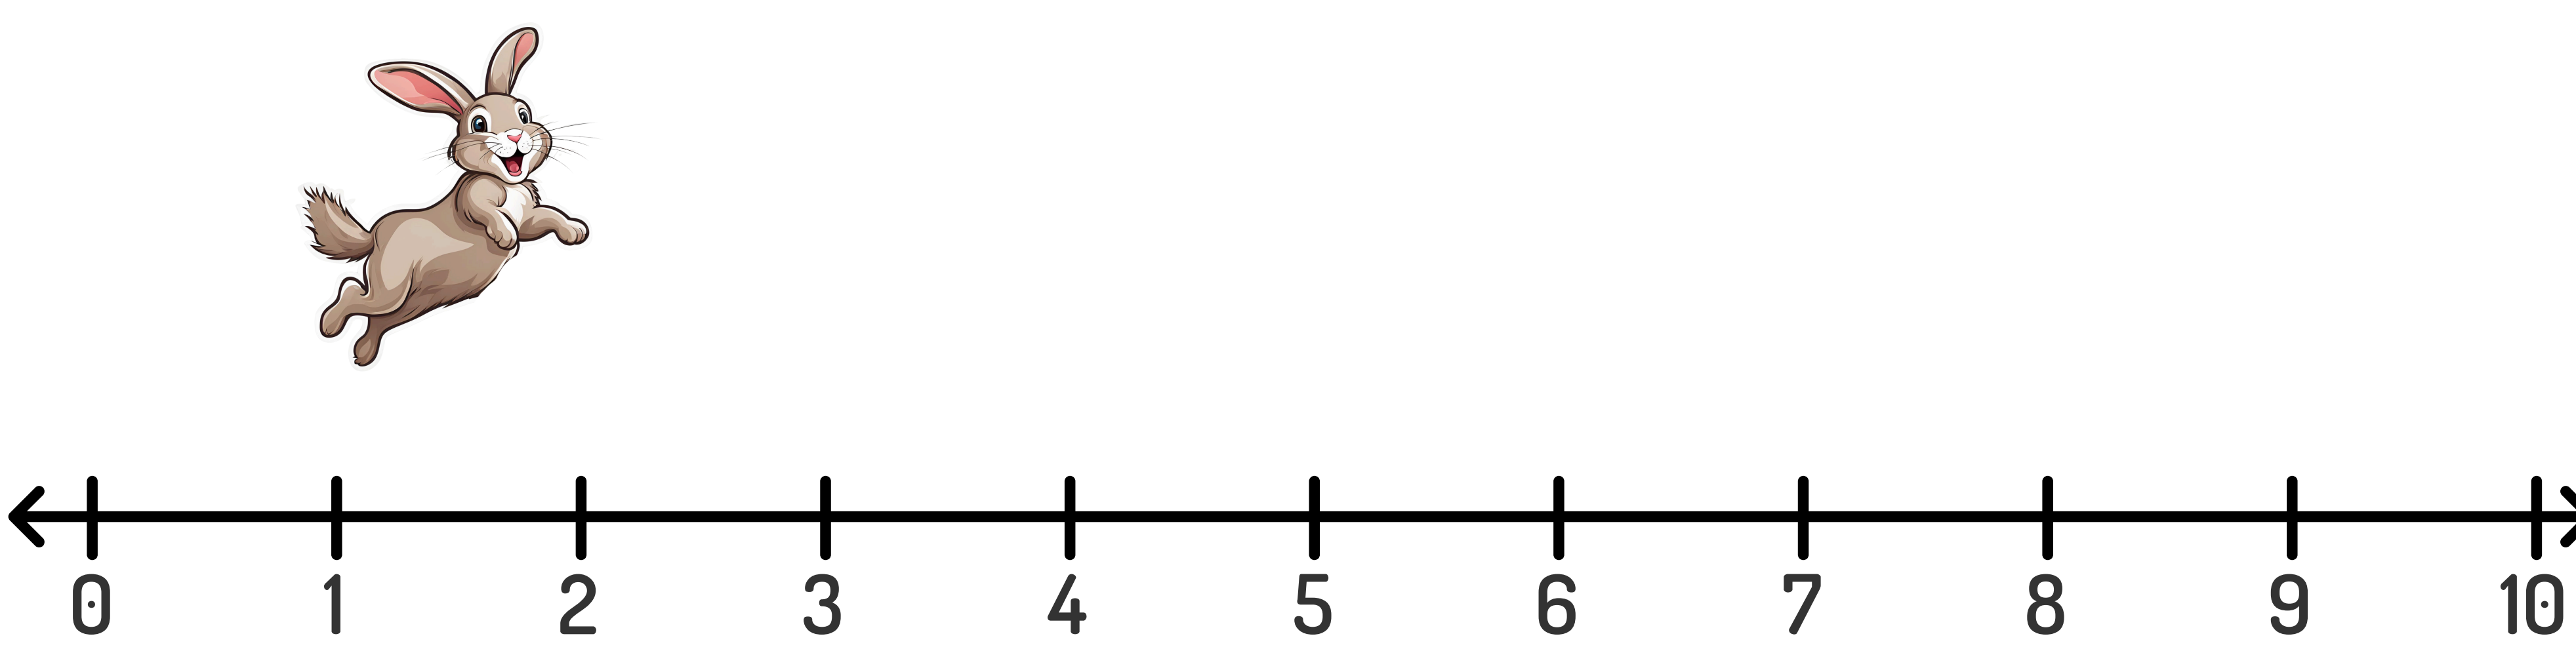

Draw the hops on the number line and write the answer to the math sentence.

A number line from 0 to 10. A lion is jumping over the line. A red path starts at 0, goes up to 2, then down to 2, then up to 5, then down to 6. Below the number line is the math sentence: $2 + 4 = \square$

A number line from 0 to 10. A kangaroo is jumping over the line. Below the number line is the math sentence: $3 + 6 = \square$

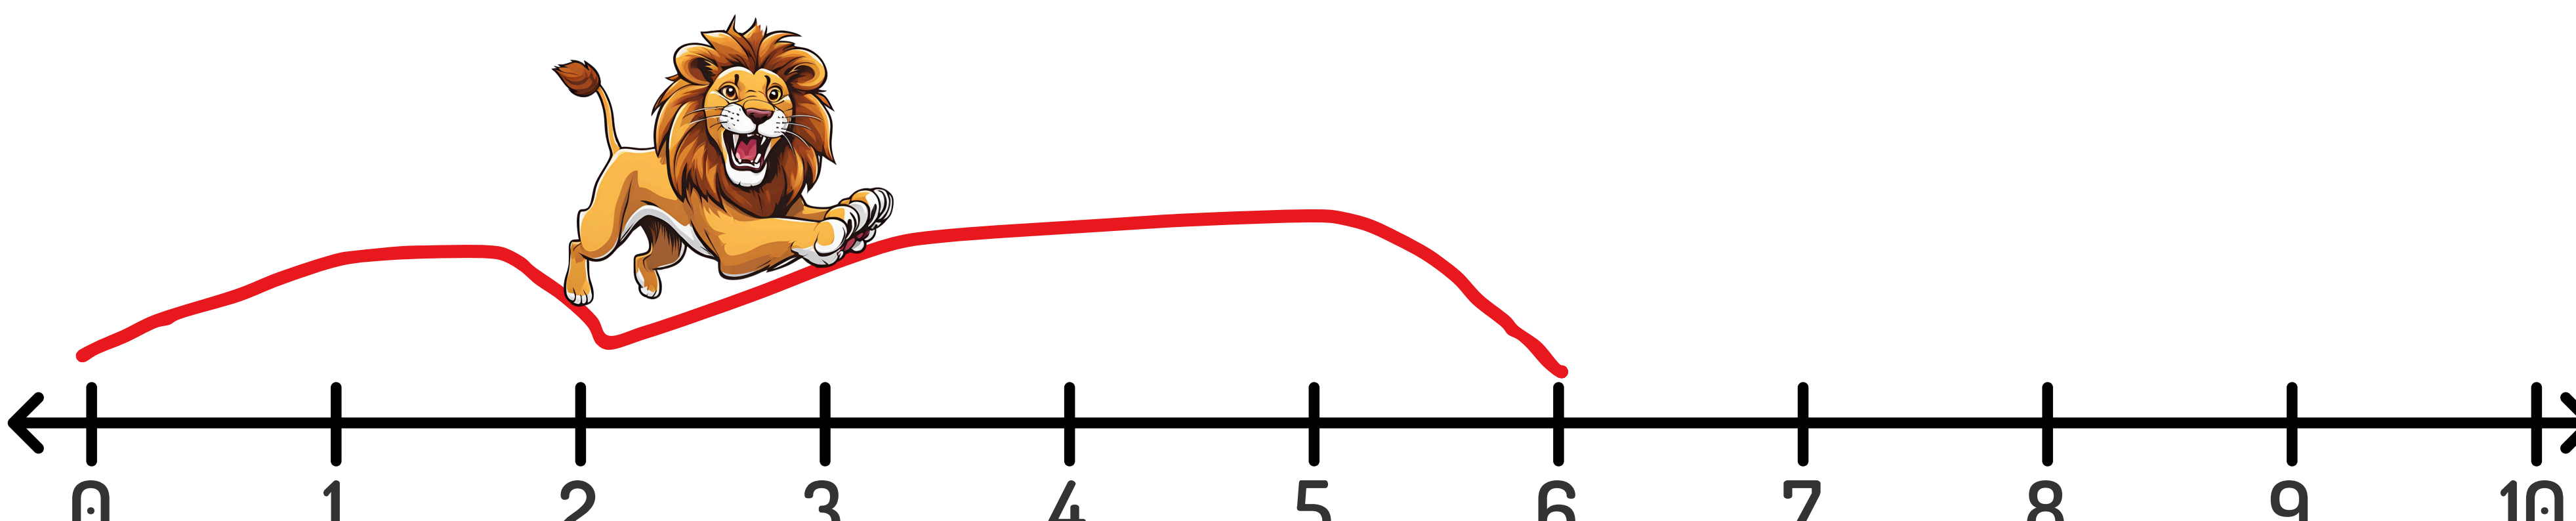

A number line from 0 to 10. A rabbit is jumping over the line. Below the number line is the math sentence: $1 + 3 = \square$

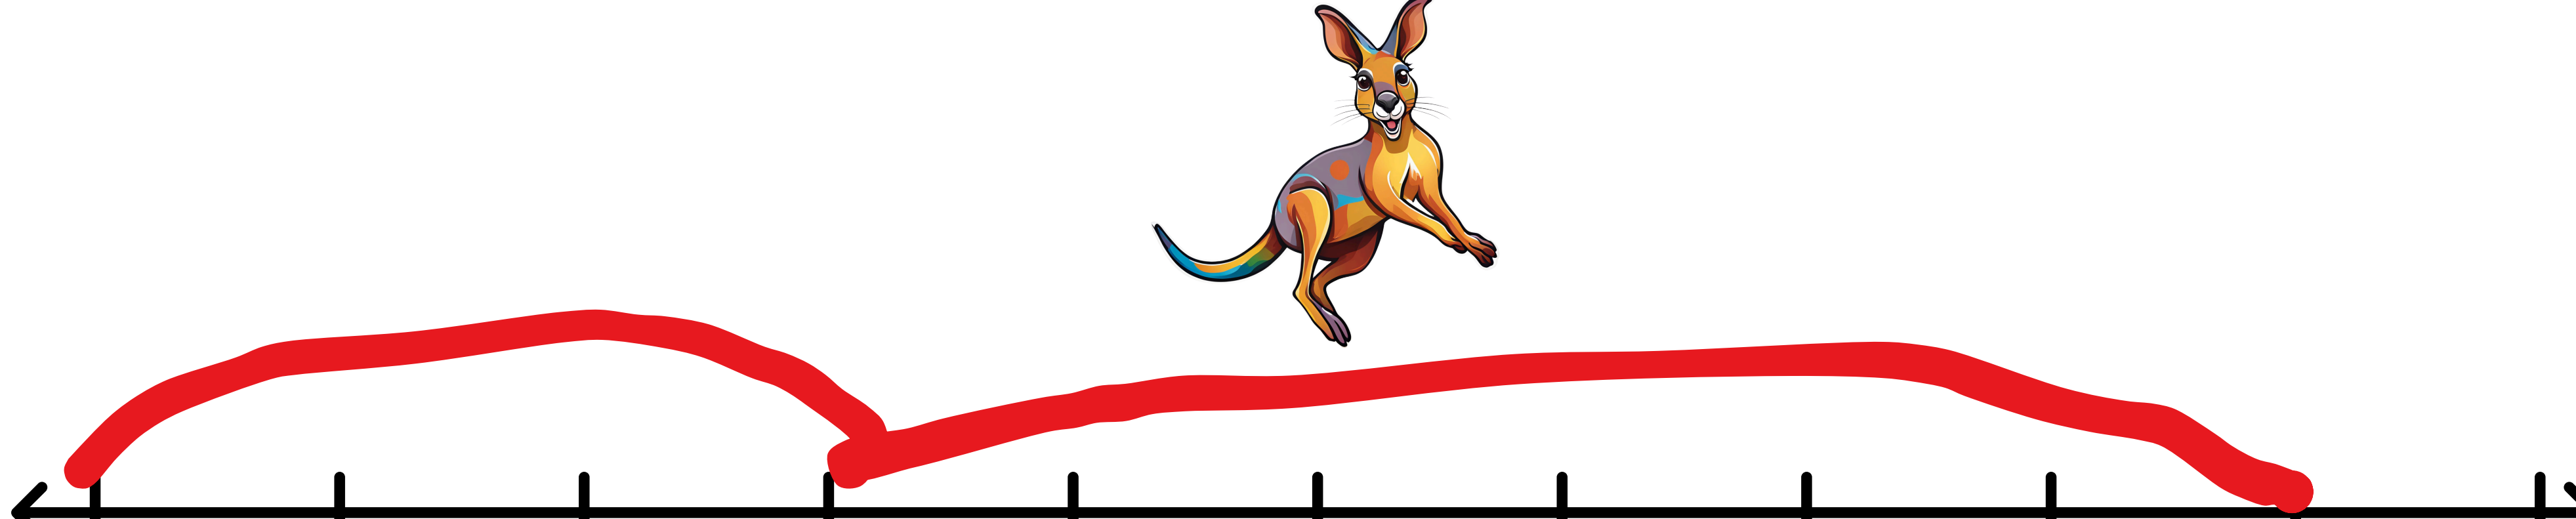

Adding with Number Lines

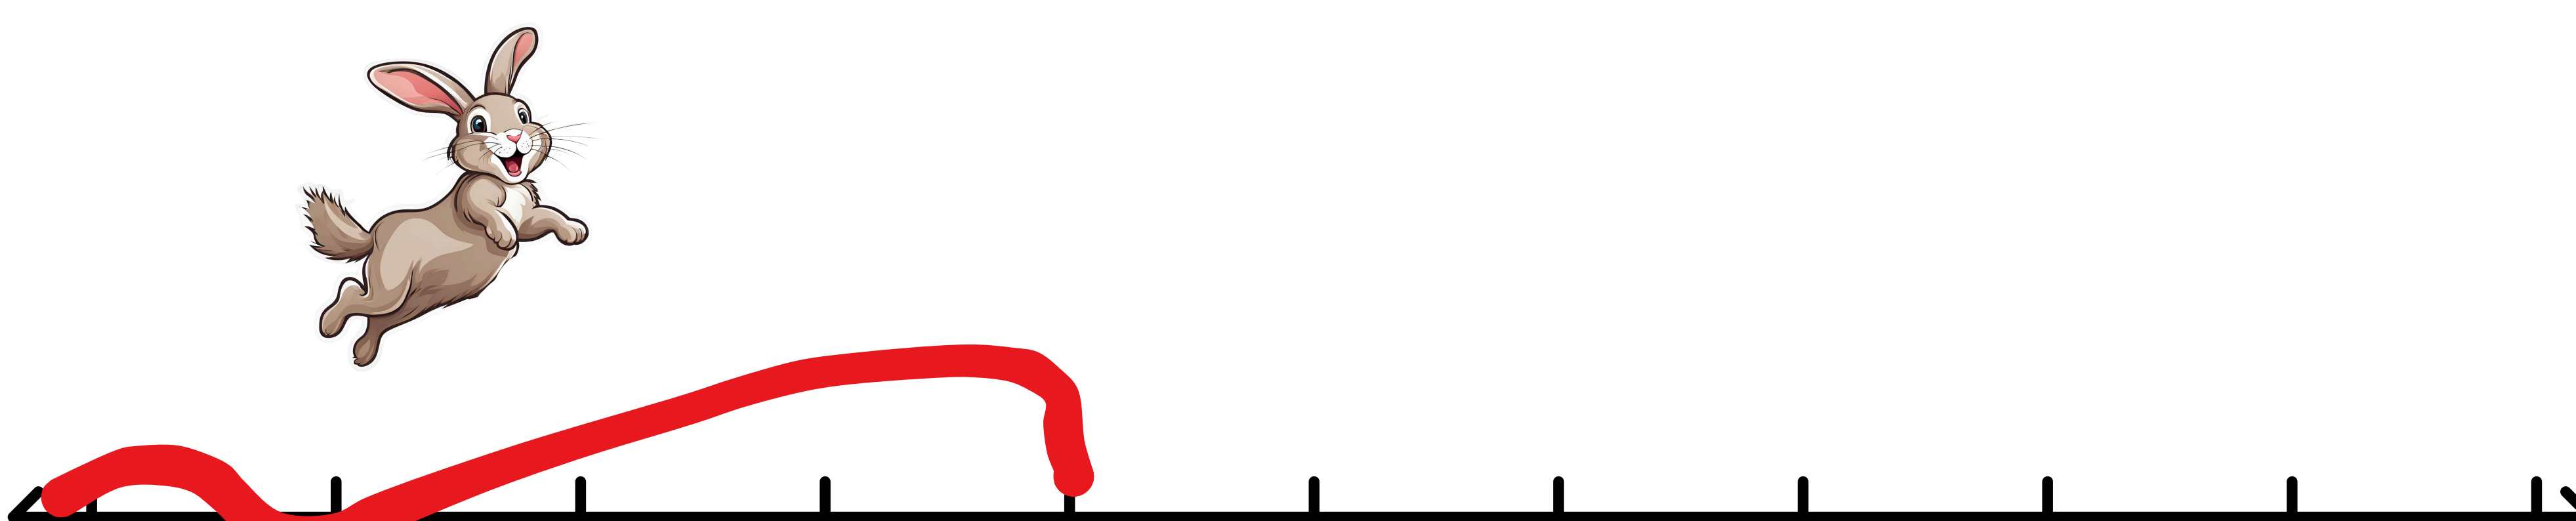

Draw the hops on the number line and write the answer to the math sentence.

$2 + 4 = 6$

$3 + 6 = 9$

$1 + 3 = 4$
