

Adding with Number Lines

Draw the hops on the number line and write the answer to the math sentence.

A number line from 0 to 10 with tick marks at every integer. A red line starts at 0, goes up to 1, then curves up to 5, and then curves down to 7. A tiger is jumping on the line between 0 and 1.

$$\boxed{1} + \boxed{6} = \boxed{}$$

A number line from 0 to 10 with tick marks at every integer. A fox is jumping on the line between 4 and 9.

$$\boxed{4} + \boxed{5} = \boxed{}$$

A number line from 0 to 10 with tick marks at every integer. A dog is jumping on the line between 3 and 10.

$$\boxed{3} + \boxed{7} = \boxed{}$$

Adding with Number Lines

Draw the hops on the number line and write the answer to the math sentence.

A number line from 0 to 10 with tick marks at every integer. A red line starts at 0, goes up to 1, then down to 1, then up to 7, and finally down to 7. A tiger is jumping over the line between 0 and 1.

$$\boxed{1} + \boxed{6} = \boxed{7}$$

A number line from 0 to 10 with tick marks at every integer. A red line starts at 0, goes up to 4, then down to 4, then up to 9, and finally down to 9. A fox is jumping over the line between 4 and 5.

$$\boxed{4} + \boxed{5} = \boxed{9}$$

A number line from 0 to 10 with tick marks at every integer. A red line starts at 0, goes up to 3, then down to 3, then up to 10, and finally down to 10. A dog is jumping over the line between 3 and 4.

$$\boxed{3} + \boxed{7} = \boxed{10}$$
