

1 Digit Subtraction

Cross out animals until the result is left. Write how many you crossed out to find the missing number!

$\underline{6} - \underline{3} = \underline{3}$	
$\underline{3} - \underline{\quad} = \underline{1}$	
$\underline{6} - \underline{\quad} = \underline{3}$	
$\underline{6} - \underline{\quad} = \underline{2}$	
$\underline{8} - \underline{\quad} = \underline{4}$	
$\underline{7} - \underline{\quad} = \underline{2}$	
$\underline{7} - \underline{\quad} = \underline{4}$	
$\underline{4} - \underline{\quad} = \underline{1}$	
$\underline{4} - \underline{\quad} = \underline{2}$
