

Timmy the Slow Turtle

Timmy was a turtle. He was slow, but he was happy.
One sunny day, the animals had a race.

The fox, the rabbit, and the squirrel were all fast. "I
want to race too!" said Timmy.

The other animals smiled. "Let's all race together!"
Ready, set, go!

The rabbit ran fast. The fox ran faster.

The squirrel zipped by. Timmy walked slow and
steady.

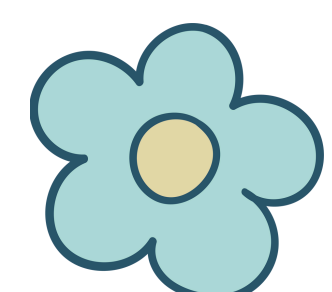

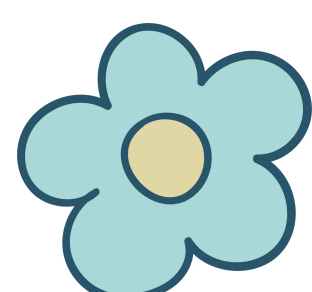

Step, step, step.

He saw flowers. He waved to a butterfly.
He smiled the whole way. At the end, the animals
cheered.

"Yay, Timmy!" "You made it!"

Timmy was last, but he was proud.
"I had fun," he said. "And I saw lots of cool things!"
Everyone clapped.

Timmy may be slow, but he always keeps going!
